

## Handout 4-B

# OTHER ESSENTIALS

Post this handout somewhere you will see it daily and use it as a springboard for reflection and action in the coming week.

Reflect on the questions below throughout the week. Consider whether your hopes and the “essentials” that you believe matter most are driven by the mission and passion of Jesus—not by a personal agenda or passion. Record your thoughts in your journal.

- Does grace matter in what we do and how we do it?
- Do relationships make a difference in the way that we proclaim God’s love?
- Is joy evident in our ongoing work?
- Do we hope for a better day than the one we are currently experiencing?
